

## DISCUSSION ON CENTRAL PART OF BANKRUPTCY PROCEEDING

- > QUESTIONS:
- ➤ Is there a shortened process of bankruptcy or liquidation, in the sense of previous laws on bankruptcy?
- ➤ How to act when trustee, for objective reasons, cannot execute his/her tasks within deadlines envisaged by law?

- Can trustee submit bankruptcy plan to court on his/her own initiative?
- ➤ How to set a compensation for bankruptcy trustee?

If creditors cannot vote on any decision on bankruptcy proceeding at reporting hearing, what will further be happening with bankruptcy proceeding?
